A NEW MARKET FOR INTERIORS. A NEW OPPORTUNITY FOR BUSINESS.

Uzbekistan and Central Asia's hospitality, residential and commercial sectors are expanding - and with them comes growing demand for interior design, materials, lighting, finishes and fit-out solutions.

INDEX Uzbekistan brings the design and fit-out industry together in Tashkent, connecting international and local suppliers with the architects, designers, real estate developers, hotel procurement teams and project stakeholders sourcing for the Central Asia's next generation of spaces.

The event gives brands a focused route into an emerging Central Asian market - creating new opportunities to showcase products, build relationships and win business.

A GROWING MARKET. A RISING PIPELINE. NEW DEMAND FOR SUPPLIERS.

Uzbekistan is investing across hospitality, housing and major urban development, creating new demand for the products and expertise needed to design, furnish and deliver the spaces coming to market.

20 MILLION

international visitors
targeted by 2030

With international hotel brands expanding, large-scale development progressing and premium projects continuing to rely on imported products, the opportunity for international manufacturers and suppliers is growing.

THE REGIONAL OPPORTUNITY

INDEX Uzbekistan sits at the centre of a fast-developing regional market, where investment in new homes, hotels, commercial spaces and urban development is creating growing demand for interior products and solutions.

● UZBEKISTAN

7.7M SQM OF NEW HOUSING

Commissioned in H1 2026, up 7.2% year-on-year — driving demand for furniture, finishes and interior solutions across a rapidly expanding residential market.

Source: National Statistics Committee of Uzbekistan

● KAZAKHSTAN

KZT 5.06TN IN CONSTRUCTION

Construction activity grew 15.3% year-on-year in Jan–Jul 2026, with 9.75M sq m of new housing delivered — creating significant demand across residential and commercial interiors.

Source: Bureau of National Statistics of Kazakhstan

● KYRGYZSTAN

5M SQM OF HOUSING DEMAND

An estimated 5 million sq m of additional housing is needed across the country's growing urban centres, alongside demand for new commercial and hospitality space.

Source: National Investment Agency of the Kyrgyz Republic

● AZERBAIJAN

AZN 1.58BN IN NEW HOUSING

Invested in dwelling-house construction in Jan–Jul 2026, part of AZN 11.1bn invested in fixed assets — supporting continued residential and urban development.

NEW MARKET. NEW BUYERS. NEW BUSINESS.

Exhibiting puts your products in front of the professionals specifying, sourcing and purchasing for active and upcoming developments - while giving your business the opportunity to establish relationships.

Benefits

MEET NEW BUYERS

Connect face-to-face with developers, hotel procurement teams, architects, designers, contractors, distributors and other decision-makers.

SHOWCASE YOUR PRODUCTS

Put your latest collections, materials and solutions directly in front of a targeted professional audience.

BUILD YOUR BRAND EARLY

Establish your presence in an emerging Central Asian market while competition for buyer attention is still developing.

GENERATE NEW BUSINESS

Build a pipeline of leads, distributor relationships and project opportunities across Uzbekistan and the wider region.

UNDERSTAND THE MARKET

Gain first-hand insight into local sourcing requirements, specifications, project demand and buying priorities.

MEET THE PEOPLE BEHIND THE PROJECTS

INDEX Uzbekistan is designed to attract the professionals responsible for designing, developing, specifying, sourcing and operating spaces across Central Asia.

- FIT-OUT CONTRACTORS
- SPECIFIERS
- DISTRIBUTORS & RETAILERS
- COMMERCIAL REAL ESTATE PROFESSIONALS
- FACILITY MANAGEMENT TEAMS
- INVESTORS
- GOVERNMENT & INDUSTRY REPRESENTATIVES

INDEX Design Talks

Where Central Asia's design industry comes together

INDEX Design Talks brings the conversations driving Central Asia's interiors and design market to the show floor.

Across three days, leading architects, interior designers, developers and industry experts will share insight into the trends, projects and opportunities influencing the Central Asia's rapidly evolving built environment.

From hospitality and residential design to materials, specification and emerging design trends, the programme gives the industry a place to exchange ideas, learn from live projects and connect with the people behind them.

Put your brand in the conversation

For exhibitors and sponsors, INDEX Design Talks creates another opportunity to build visibility beyond the stand, demonstrate expertise and engage directly with an audience of design and project professionals.

Featuring:

- Industry panel discussions
- Live project insights
- Design trends and market intelligence
- Expert presentations
- Networking with speakers and industry leaders

A NEW MARKET. BACKED BY MORE THAN 30 YEARS OF INDEX.

For more than 30 years, INDEX has connected the global interiors and design community with the buyers and decision-makers responsible for major projects across the Middle East and Africa.

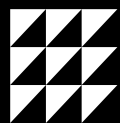

INDEX Uzbekistan brings that established experience into Central Asia, creating a new platform for international and regional brands to connect with a growing market for interiors, furniture, FF&E, textiles, lighting and design.

For exhibitors, it combines the opportunity of a first-edition event with the sector expertise, international network and industry credibility of the wider INDEX portfolio.

MORE MARKETS. MORE OPPORTUNITY.

27 - 29 October 2027

Caex, Tashkent, Uzbekistan

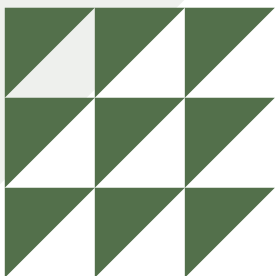

**One destination.
Two connected industries.
More opportunity.**

INDEX Uzbekistan will be co-located with Big 5 Construct Uzbekistan, bringing the interiors, design and construction supply chains together under one roof.

The co-location gives exhibitors wider access to the professionals involved across the full project lifecycle - from developers, architects and consultants to contractors, fit-out specialists, procurement teams and operators.

For suppliers, that means more relevant conversations, greater cross-sector visibility and more opportunities to connect products and solutions with the projects driving Uzbekistan's next phase of development.
