Authorized person on behalf Company	Company Seal and Signature	Date	Signature of authorized person of the company on behalf of İZFAŞ
-------------------------------------	----------------------------	------	--

1. APPLICATION:

The application form must be filled in completely and delivered to İZFAŞ with advance and remainder checks. Application ends on 9 April 2027. İZFAŞ has the freedom of not accepting an application. Companies which owe İZFAŞ or companies which hadn't paid their owes in time can be banished from the fair.

2. PAYMENT

All payment shall be done to İZFAŞ Corp. Accounts and to İZFAŞ name. Payment plan İZFAŞ prepared and accepted by the participant by signing this contract shall be followed. If the terms of payment plan are not followed, according to lawsuits will be executed without warning. (Stamp tax of the contract will be paid by the participant. If any payments are late, CBT's advance interest rates will be doubled and charged as delay interest.)

3. WITHDRAWAL OF APPLICATION BY PARTICIPANT, CANCELING A PORTION OF STAND AREA:

If the participant backs down from joining the fair, withdraws his application, cancels a portion of his booth area or do not show up to the fair, İZFAŞ has the rights to use the area freely by renting it to other 3rd parties and such. In any situation, participants that had canceled all or some of their participation shall pay the cancellation payments given below:

- 60 or less day prior to the fair, %100 of the participation payment shall be paid to İZFAŞ by the company.

If the participant doesn't follow the payment plan accordingly, the participant shall be seen as he backed down from joining the fair.

4. İZFAŞ'S RIGHT TO CANCEL ANY APPLICATION:

İZFAŞ has the rights to cancel any application which had been approved previously under circumstances given below:

I. Participant did not start using the booths on time (24 hours before the legal opening of the fair, booths shall be used)

II. Participant not paying any fair related sums on time(advance and remainders etc)

III. Legal or executive liquidation of participant found out to be started

IV. Participant is not meeting booth area approval obligations or finding out any information held back from İZFAŞ that could have caused the application not to be approved

V. It is forbidden to retail sale in the fair. Participants are obliged to obey legal legislations in fore and acquire related commercial and healthcare permits from respective authorities. Otherwise, the participants shall be responsible for all damages.

VI. Participants not obeying İZFAŞ personnel's instructions, or violating the participant guidebook

VII. Not obeying the terms given below in accordance with 6331. Occupational Health and Safety Law

a) According to the regulation on the health and safety precautions to be taken in buildings and annexes, emergency exit doors, fire extinguishers hydrants and tubes must be left open and easily accessible

b) According to the labor law numbered 4857, there should be no uninsured employees in the exhibition area

c) In accordance with the regulation on the procedures and principles of employment of children and young workers, corporations should employ their staff in the exhibition area.

d) In accordance with the regulation on the use of personal protective equipment at the workplace, employees must use personal protective equipment specified by safety experts

VIII. İZFAŞ has no obligation to control, but for any reason, the participant is in the preparation stage or during the fair, the employment of an uninsured worker in the exhibition area or the employment of a worker in violation of the work safety legislation

IX. İZFAŞ has the right to request compensation from the participating company for damages due to the reasons for the cancellation written in this article. In case of cancellation of participation as stated, İZFAŞ shall not be entitled to compensation and / or profit deprivation etc.

5. OCCUPATIONAL HEALTH AND SAFETY MEASURES

The participating company is obliged to take and/or have taken all kinds of safety and health measures in accordance with the Occupational Health and Safety Law No. 6331 and the relevant legislation for the workers and personnel it will employ and/or work at Fuarizmir (including the participants and stand employees). Otherwise, the participating company is responsible for all injuries, material and moral damages that may occur. By signing this contract, the participant company accepts the occupational health and safety rules, İZFAŞ Technical Manual and İZFAŞ General Occupational Health and Safety Handbook, which are foreseen and requested by İZFAŞ during the installation, fair and assembly periods.

-The participating company is responsible for any damages to the stand areas and the structures, installations, machinery, materials and exhibited products in these areas and/or arising from the product and is obliged to cover any damages that may arise. The participating company is also responsible for all kinds of injuries, material and moral damages that may occur to employees, visitors and participants in the stand area it has set up or had built in the fairground. It is responsible for ensuring the safety of the stand areas and taking all necessary measures (construction, technical, static, mechanical structures and installations of the stands, etc.). It is obliged to implement the necessary occupational health and safety measures in all areas, including the installation, fair period and assembly processes.

- Participating companies are required to have at least 1 piece 5 kg carbon dioxide and at least 1 piece 12 kg dry chemical powder fire extinguisher ready for use and checked at their stands. Ensuring fire safety inside the stands is the responsibility of the participating company.

- Electrical connections and electrical work must be done by competent, certified electrical technicians. Electrical installation panels in the stands must comply with regulations and standards and must be protected with leakage current protection relays (30 mA) suitable for the intended use. All responsibilities regarding electrical installations within the stand belong directly to the participant.

- The annual checks that need to be made for all kinds of machinery, equipment, etc. tools and tools that are under the responsibility of the participating company and will be used must be made by the participating company to the authorized bodies in accordance with the provisions of the "Health and Safety Conditions in the Use of Work Equipment Regulation" and other relevant regulations, and their approvals must be obtained in writing. The participating company will obtain the periodic control reports, keep these documents and present them when requested.

- The participant and contractor companies will obtain all the required documents such as driver licenses, certificates, etc. for the personnel

I have read and herein these (6 pages) written rules in the application form, exhibitor guide and conditions of participation and approved as is.

Authorized person on behalf Company	Company Seal and Signature	Date	Signature of authorized person of the company on behalf of İZFAŞ
-------------------------------------	----------------------------	------	--

they will employ, keep these documents and present them when requested. (Required documents; employees; SGK(Social Security Institution) declaration, copy of their identity card, criminal record certificate, pre-employment health examination report, professional qualification documents appropriate for the work they do, special training certificate if necessary (work at height training certificate, work in confined spaces training certificate, etc.), if special documents are required (operator certificate, welder certificate, EKAT (work permit in electric high current facilities) certificate, etc.), basic occupational health and safety training certificate and training participation form, document indicating that personal protective equipment has been delivered and will be used, annual periodic control reports of the work equipment/machines used, the company risk analysis, the company emergency action plan, the OHS clerk printout of the occupational safety specialist, workplace physician and other health personnel of the OSGB (joint health and safety unit company) from which service is received before starting work or of the occupational safety specialist, workplace physician and other health personnel within its own organization).

- The participant company is responsible for leaving the emergency exit doors, emergency escape stairs, fire extinguishing hydrants, fire extinguishers, and fire cabinets clear and providing easy access, in accordance with the Regulation on the Protection of Buildings from Fire.
- The participating company is obliged to comply with the Regulation on the Methods and Principles of Employment of Child and Young Workers within the İZFAŞ fairground.
- According to the Regulation on the Use of Personal Protective Equipment in Workplaces, employees of participating and contractor companies are required to use personal protective equipment determined by occupational safety experts within the fairground. The participating company is obliged to supervise the use of personal protective equipment.
- If the participating company employs a subcontractor company, it is obliged to prepare, keep and present when requested the assignment letter prepared by the authorized signatory of the subcontractor company and the signed and stamped contract containing the business relationship between them.
- The participating company cannot employ personnel who are not registered with the Social Security Institution in the Fuarizmir area. For employees who are post-retirement, it is mandatory to make an insurance declaration for the period in which they will work.
- The participant company is responsible for reporting work accidents and occupational diseases. In the event that employees are exposed to a work accident, they are obliged to notify law enforcement and unit management immediately and the Social Security Institution within 3 working days. In the event of an occupational disease, they are required to notify the Social Security Institution and Unit Management (Primary Employer) within 3 working days from the date they learn about it.
- Any damage that may occur due to failure to take the measures specified in this contract and the Occupational Health and Safety Law No. 6331, relevant legislation, İZFAŞ Technical Manual and İZFAŞ General Occupational Health and Safety Handbook as a result of all the works and activities to be carried out in the Fuarizmir area during the allocation period, starting from the moment the Participant/contractor company is granted permission to enter the area with the site delivery report, will be covered by the Participant company.
- İZFAŞ has the right to demand compensation from the participant company for all material and moral damages that may occur in case of non-compliance with the occupational health and safety rules written in this contract and the above-mentioned articles. The participant company has no right to demand compensation and/or loss of profit etc. from İZFAŞ under any name.

6. İZFAŞ'S RIGHT TO ASK FOR SCIENTIFIC DOCUMENTATION:

Although there are no obligations for İZFAŞ to control, for any reason, products do not have the qualifications claimed by the participants(false / illegal etc.), products that are suspicious of being threatening / contrary to the current legislation; removal or presentation of scientific documents related to products may be requested by İZFAŞ. Companies which do not present any scientific documentation when asked or do not remove suspicious products can be asked to remove them. If the submitted document is in a foreign language, the participant shall get it translated into Turkish. Corporations give legislative rights by signing this contract to İZFAŞ about product removal in necessary conditions given. So any products removed by İZFAŞ shall be returned to their respected owners after the exhibition and participant can be expelled from the exhibition. In such cases, the participant will continue to be responsible for paying the participation fee and fees, and İZFAŞ shall not be entitled to compensation and / or profit deprivation etc. under any account.

7. PRODUCT LIST:

Participation of a company is limited to Exhibited Products List, names of participants on the booth consent and booth areas. Companies can not exhibit any products outside the list they had submitted. Otherwise, it may be requested by İZFAŞ to correct the irregularity or removal of the products, or the firm can be removed from the company.

8. TRANSFER PROHIBITION:

The stands allocated to the Participant cannot be transferred, allowed to use or rented in whole or in part without the knowledge and written approval of İZFAŞ. Otherwise, the participant company agrees and undertakes to get removed from the exhibition and pay 5 times of booth price as a penal clause.

9. SECURITY:

İZFAŞ does not take any responsibility for theft, loss, damage, and injury. But 24-hour security service will be in place in the exhibition area. It is recommended to willing participants to get private insurance and/or hire in-booth security. İZFAŞ is not responsible for any force majeure(public movements, strikes, lockouts, embargoes, war situations, natural disasters).

10. DAMAGE:

İZFAŞ will deliver booths and their accessories in good shape. Companies shall not damage them by painting, nailing or sticking anything on them. Damages and losses of equipment happened during the exhibition is in the responsibility of the participant company and compensation will be required.

11. POWER OUTAGE:

İZFAŞ does not take responsibility for damages caused by any power outage or malfunction.

I have read and herein these (6 pages) written rules in the application form, exhibitor guide and conditions of participation and approved as is.

Authorized person on behalf Company	Company Seal and Signature	Date	Signature of authorized person of the company on behalf of İZFAŞ
-------------------------------------	----------------------------	------	--

12. TECHNICAL OBLIGATIONS:

The technical rules that are required and requested by İZFAŞ for pre-exhibition, after-exhibition and during-exhibition shall be accepted by signing this contract by Marble 2027 Fair participants.

13. LOGISTICS SERVICE:

It is mandatory for the participant to work with the logistics company with which İZFAŞ works under contract, and by the logistics company; It accepts, declares and undertakes that İZFAŞ has no responsibility for the consequences of any damage, loss and accidents that may occur during the loading and unloading services to be provided in the fairground. The logistics company is directly responsible for the consequences of any damage, loss and accidents that may arise. In this sense; The participant accepts, declares and undertakes that they will not make any rights, compensation and/or any claims under any name against İZFAŞ.

Other logistics companies are not authorized to provide loading and unloading services in the fair area. If it is determined that other companies provide loading and unloading services in the fair area, İZFAŞ reserves the right to impose penalties.

14. ADVERTISING AND PROMOTION EVENTS:

Audio and Visual Event Organization:

- 1) For all kinds of events, publications and advertisements, written approval from İZFAŞ are required.
- 2) Audiovisual activities should be arranged in such a way as not to disturb other stands and visitors.
- 3) The loudspeakers to be used in the events should be directed into the participant stand so as not to disturb the surroundings.
- 4) It is forbidden to install a professional sound system.
- 5) Participants who do not meet the sound limit will be cut off from the electricity grid.
- 6) If the participants want to organize activities such as cocktail, demonstration, concert in the activity areas in Fuarizmir, date, and place shall be approved by İZFAŞ and designated sum for such activities shall be paid. Corporations can make exposition within the stand with the general music broadcast made by İZFAŞ

15. PRODUCT AND SERVICE PROMOTION:

Promotion of the products and / or services that the participant produces or distributes, which is approved by specifying in the form 5 is permitted. Optic or Audio advertisement enhancers are possible with a written permit from İZFAŞ Sales Marketing Directorate. Outside his booth, the participant shall not make any advertisement unless it is a part of İZFAŞ's advertisement or sponsorship works. Political advertisements are prohibited.

16. PHOTOGRAPHS, ILLUSTRATIONS, FILMS:

İZFAŞ has the rights to film or photograph the fair, exhibited products, fair construction, and booths and uses these visual materials in promotion or media without consent from the participants. Visual material captured by mass media agents with the permit from İZFAŞ are also included. Participant corporations shall only work with services commissioned by İZFAŞ for paid-photographing or filming or drawing of their booths. These service providers will only be accessible before or after exhibition hours. Participants can't film, photograph or draw any other participant's booth or products.

17. PROTECTION OF INTELLECTUAL AND INDUSTRIAL PROPERTY RIGHTS:

It is the exhibitor's responsibility to protect the copyright or other patent rights of the exhibited products. During the fair, participants who claim that their intellectual and industrial property rights have been violated by other applicants must go to the relevant legal institutions and İZFAŞ has no responsibility for these manners.

18. AREA ORGANIZATIONS AND VIOLATIONS:

By agreeing to this contract, participants acknowledge and undertake to obey any instructions and announcements about area organization in all premises during the fair. Instructions of the İZFAŞ staff with legal ID-Card should be followed. İZFAŞ has the right to close the booth immediately and remove the participant without warning or legal activity in case the participant violates any terms of General and Special Participation or does not obey to announcements or instructions of the İZFAŞ staff. The participant shall pay a penal payment same as the participation payment.

19. DATA USAGE CONSENT:

In order to fulfill its obligations arising from this contract, the participant/exhibitor accepts, declares and undertakes that all kinds of personal data, including personal data regarding its domestic and foreign employees, to İZFAŞ, the legal regulations in force in the country where the relevant employee or the person whose personal data is transferred, and the Law on Protection of Personal Data No. 6698 and regarding the protection of personal data, it processes and transfers in accordance with other relevant legislation in force in the Republic of Turkey, fulfills the obligation of data controller to inform and, if necessary, obtains explicit consent in accordance with the Law on the Protection of Personal Data No. 6698 and the legislation of the other country where the relevant employee or the person whose personal data is transferred. Participant, hereby accepts, declares and undertakes that it will act in accordance with the legal regulations regarding the protection of personal data in terms of all kinds of personal data, including but not limited to İZFAŞ employees, other participants and employees, other persons in charge of the exhibition area and visitors, which were transferred to the participant/exhibitor during the fair with the establishment and performance of this contract. Participant/exhibitor accepts, declares and undertakes that it shall be exclusively liable for the damages incurred by İZFAŞ and/or third parties due to its violations of the regulations of this article, and that it will indemnify İZFAŞ fully and completely without any amount limitation in once and in cash.

I have read and herein these (6 pages) written rules in the application form, exhibitor guide and conditions of participation and approved as is.

Authorized person on behalf Company	Company Seal and Signature	Date	Signature of authorized person of the company on behalf of İZFAŞ
-------------------------------------	----------------------------	------	--

20. EMERGENCY EXITS:

Emergency exit points in Fuarizmir shall always be open accessible even during montage and dismantling procedures. In case of violation, penal payment shall be paid by the participant (participation payment) and the participant may be removed from the fair. This penal payment does not remove any legal compensation that may have required if anything occurs.

21. PUBLIC SAFETY AND ORDER:

Participant agrees to obey all laws in force. Participant is only allowed to exhibit legally acquired, produced and stored products. Laws about the technical safety of these products must not be violated.

22. DEPARTURE:

Participants shall not leave the exhibition area before the fair ends. Rented booths cannot be left empty. Packing up will start at 09:00, 17 April 2027. (emptying of the blocks will start at 09:00, 17 April 2027 and will end at 18:00, 20 April 2027.) Booths shall be evacuated without any delay between 09:00 of 17 April and 18:00 of 20 April. Allowance for exit won't be granted to those who hadn't completed their financial obligations about the MARBLE 2026 Fair. All commodities of these violators will be kept in the fairground. For the blocks remaining in the fair area, a penalty of 100 Euro + VAT per block per day will be imposed on the participating company starting on 30 April 2027, and the blocks are not collected until 30 May 2027 will be considered as rubble and will be disposed of. In order to the exit permit to be granted, the participants must have fulfilled all their financial obligations regarding the Marble İzmir Fair 2027. Otherwise, the participants will not be allowed to remove their goods from the fair area.

IMPORTANT: Cargo vehicles that will come for the departure on 17 April 2027 will be allowed to enter to the fair area when İZFAŞ thinks it is the right time. Any issues that can occur because of this is not a responsibility of İZFAŞ.

23. CHANGES:

İZFAŞ has the rights to cancel the fair, delay it, change the location of it, extend or shorten the fair time, and with technical, legal or with other purposes relocate any booths of participants, to make them smaller or to change their products with all reasonable causes. These rights are obvious to the participant and agreed upon. In this regard, if any one of the situations given above become true, the participant agrees and undertakes that he has read the contract before signing and as a sane businessman, could see the consequences, therefore he agrees not to ask any form of compensation from İZFAŞ in any circumstance.

24. FORCE MAJEURE

The occurrence of situations beyond the control of the parties and the cases that prevent and / or delay the fulfillment of the obligations imposed by the parties with this contract will be considered as force majeure. (For example; epidemic, strike, lockout, war, terrorist acts, earthquake, fire, flood, similar natural disasters, decisions and actions of the state, etc.) In case of occurrence of situations considered as force majeure, the parties shall not fulfill their contractual obligations due to this force majeure. They will be able to suspend it for 90 (ninety) days from the date of its emergence. At the end of the 90 (ninety) day period, the situations considered as force majeure disappear. If not removed, the contract will automatically terminate.

25. PRIVACY

The parties are responsible for the "confidential information" of all information belonging to the other party and acquired by any means while they or their employees are carrying out the work subject to this contract and should not be disclosed to third parties for any reason, it will be kept as a trade secret, during the term of the contract and afterwards for their benefit. They agree not to use it. The PARTICIPANT will comply with this matter and its employees will comply with the same meticulousness; otherwise, all material or the addressee of non-pecuniary damages, has declared, accepted and committed. However, in order to fulfill the obligations contained in this Agreement, it is required or publicly disclosed to third parties or required to be disclosed in accordance with the law. Providing information will not be considered as a violation of this article. PARTICIPANT on behalf of İZFAŞ all actions / transactions related to the processing of personal data, accepts, declares and undertakes that it will be appropriate for the changes to be made in them the relevant laws and regulations in force at all times and all kinds of legislation in the field of protection of personal data that may enter into force in the future.

26. CONSENT TO EXECUTIVE POWER OF İZFAŞ:

Participants shall obey to the terms of this contract, written for the order and quality to be maintained swiftly and a fair with stability and without the disorder, before, during and after the fair. As written above, İZFAŞ has the rights to immediately remove the products and participants because of legal or contract violations without legal action taken. With agreeing to this contract, the participant agrees to the İZFAŞ's executive and penal power. There will be no right to action because İZFAŞ executed any executive and/or penal activity given in this contract.

27. LOSS INDEMNISATION:

According to this contract, any participant with a penal payment shall also compensate for any damages if it happens.

28. SETTLEMENT OF DISPUTES and AUTHORIZED COURT:

All disputes between the parties shall be settled by the İZFAŞ books and records. İZMİR Courts are Authorized if any disputes occur.

29. CONTRACT ANNEXES:

Conditions of Participation (4 pages), Participant Technical Guide and General Occupational Health and Safety Manual prepared in addition to this agreement signed by the parties; It is an integral part of this agreement and is binding on the parties. These documents are evaluated and implemented together with this agreement.

I have read and herein these (6 pages) written rules in the application form, exhibitor guide and conditions of participation and approved as is.
